RE: RECORDING AND REPORTING OF ALL POSSIBILITY MINISTRIES CHURCH MEMBERS AND WITHIN YOUR CHURCH COMMUNITY

Grace be to you from our God, Saviour and Soon Coming King Jesus Christ of Nazareth.

Adventist Possibility Ministries (APM) is about building relationships through an inclusive compassion for those who are often ignored and sometimes abused. Central to this ministry is the conviction that “All are gifted, needed, and treasured.” Adventist Possibility Ministries (APM) includes seven distinct ministries. It brings focus to those

1. experiencing spousal loss,
2. the blind and those with low vision,
3. the Deaf and the hard of hearing,
4. those with mental and emotional challenges,
5. orphans and vulnerable children,
6. those with physical and mobility challenges, and finally to
7. those who serve as caregivers of those who need physical and emotional support.

At this time, I am requesting a list of all the church members and community members who fall in the seven areas of focus. I am asking for two (2) lists one for church members and the other for community members to be prepared and send to sschooler@ejcsda.com and/or pwiggan@ejcsda.com. Please include the Possibility Ministries Members church or community, name, address, gender, contact number and most relevant the focus area or areas in which they fall.

We need these two lists for our database and records to know how best we can do ministry to those we do ministry with, minister to, serve and love. Assist me in making this a reality.

We are Adventist Possibility Ministries (APM), we are advocating for the recognition of dignity and respect of every person and helping to make possible the discovery of unrealized abilities despite stigmas associated with a disability or loss.

I am anticipating the receipt of the lists as soon as possible. Your kind cooperation is expected.

God's Speed

Yours in the Master's Hand,

Sheldon Schooler, Pastor
