RE: ADVENTIST POSSIBILITY MINISTRIES DAY AND WEEK

Adventist Possibility Ministries (APM) is about building relationships through an inclusive compassion for those who are often ignored and sometimes abused. Central to this ministry is the conviction that “All are gifted, needed, and treasured.” This year Adventist Possibility Ministries (APM) Week will run from March 16 to 24, 2024 under the theme “I CARE.”

Adventist Possibility Ministries (APM) includes seven distinct ministries. It brings focus to those experiencing spousal loss, the blind and those with low vision, the Deaf and the hard of hearing, those with mental and emotional challenges, orphans and vulnerable children, those with physical and mobility challenges, and finally to those who serve as caregivers of those who need physical and emotional support.

Adventist Possibility Ministries (APM) Day can be celebrated or highlighted on March 16 or 23, 2024. The week’s activities and events plan to include and have an impact in each conference island wide. Your presence and support is needed not only in East Jamaica Conference but throughout the week in all conferences. Please see the line-up of activities and events coming from the Jamaica Union Conference:
