

WOMEN'S MINISTRIES - INTER-AMERICAN DIVISION

WOMEN IN MISSION 2019 – LOVED AND CHOSEN

CHANGING THE WORLD ONE AT A TIME!

In support of the initiative "Every member involved," 2019 will be the "WOMEN IN MISSION 2019 – LOVED AND CHOSEN." The objective is to engage women, young and old in strengthening their missionary potential through friendship, mentoring and the study of the Bible.

The Women's Ministry Department is preparing a missionary set for women that will include sermons/devotionals and incentives. Along with the Bible, these will allow and encourage women, young and adult not only to share the gospel but also to be agents of change in the personal, family and spiritual lives of other women in the church and the community in a systematic and attractive way.

This set of sermons/devotionals will be available to the unions digitally, divided by quarters, with material that is relevant and spiritual. Each quarter will have a weekly theme.

1. Loved and chosen by God - (Potential)
2. Loved and chosen as queen of the home - (Responsibility)
3. Loved and chosen for service - (Thankfulness)
4. Loved and chosen to preach - (Commitment)

We are looking for a time when the majority of union directors travel to a meeting to the Division to give them the training. Then they will be responsible to train directors in their local fields.
