TO BE READ IN THE CHURCH

Dear Brethren

Christian greetings and holy salutation to you!

East Jamaica Conference is moving into high speed in the intense phase of preparation for Mission 2020. We are therefore asking that on **Sabbath, November 9, 2019**, each church join in a **Day of Holy Convocation and Prayer for Evangelism** during the morning services, for the outpouring of the Holy Spirit on God's Church in this programme.

We are further inviting all members and friends to **meet at your zonal church site, as given below, at 3:30 p.m.** when we will congregate with you to simultaneously conduct a grand evangelistic prayer convocation for Mission 2020:

- Zone 1 -- Kencot SDA Church**
- Zone 2 -- Hagley Park SDA Church**
- Zone 3 -- Constant Spring SDA Church**
- Zone 4 -- Morant Bay SDA Church**

Please employ, also, this **Week of Prayer** and a **Season of Spiritual Revival in the month of November** to heighten the churches' spirituality, evangelistic fervour and zeal in preparation for this grand Year of Mega Evangelistic Reaping and Discipleship. As such, we are inviting churches to volunteer their congregation, space, time and resources to worship with our **preachers in training** as we engage in a vibrant revival and reformation session. This could be implemented as weekends or one-week or 2-week series. Please contact us in the Sabbath School and Personal Ministries Department (**876-527-4845**) for further details and arrangements.

Yours in Christ
