Dear Brothers and Sisters,

Greeting!

East Jamaica Conference Sabbath School and Personal Ministries Department expresses sincere and heartfelt appreciation and thanks for the tremendous work you continue to do.

God has taken us safely through the **First Quarter** of 2023, therefore let us pause to give Him thanks. Let us also celebrate and magnify His name for the approximately five hundred souls that were born for His kingdom over the period, and the many others whose walk with God have been strengthened because of their involvement in the gospel ministry.

With the above in mind, I am appealing to all to do the following.

1. Ensure that there is a program of retention and discipleship in your congregation for the newly baptized.
2. Call for seasons of prayer in all our congregations this **Sabbath, April 1, 2023**, to thank God for the victories won over the first quarter of the year.
3. Review your evangelistic plans and strategies for the second quarter and begin to implement.
4. Join us this **Sunday, April 2 at 5:00 to 6:00** for our monthly Sabbath School and Personal Ministries prayer meeting. We will be giving God thanks for the victories of the 1st quarter and placing our plans and strategies for the second quarter before Him.
5. Then join us later this Sunday, **April 2 at 9:00 a.m.** for our Personal Ministries Workshop with Dr. Joseph Smith.

Soul winning does not end with baptism. After baptism comes the process of disciplining.

Yours in the master's service,

Anthony Baugh, Pastor
Sabbath School & Personal Ministries Director
