Re: Sabbath School Emphasis Day – Sabbath, August 28, 2024

Greetings!

It gives me great joy and pleasure in writing this letter to you our valued workers

Thanks and much appreciation to you for all the effort you have placed

in making the Sabbath School, the school of all ages.

**On the 2024 EJC Calendar of Events (Mission Calendar) August 28 is
Sabbath School Emphasis Day.**

Below are the aims and objectives of this initiative:

- 1) To revive the Sabbath School ministry (where necessary) in our churches
- 2) To educate the membership of the importance of the Sabbath School ministry to the mission of the Seventh-day Adventist church.
- 3) To solicit suggestions from members of ways to improve Sabbath Schools in each local congregation.
- 4) To refocus the Sabbath School on the importance of fulfilling the Gospel Mandate.

Therefore, we are asking the Sabbath School Superintendents in each church to begin to meet with your Committees to plan activities that will ensure that this day is a success.

We are recommending the churches dedicate the entire (from Sabbath to vespers) day to this initiative.

Yours in the Master's service,

Anthony Baugh, Pastor

Sabbath School & Personal Ministries Director
