Re: Gratitude and Kindness expressed in Gospel Caravan

On behalf of the East Jamaica Conference Administrators: President – Dr. Meric Walker, Executive Secretary - Pastor Melvin Francis, Treasurer - Elder Michael Porteous, and Vice-President, Pastor Carl Cunningham, and Directors' we use this medium to express sincere appreciation and gratitude to all who played a part in making our recently held Inter-American Centennial, Hope and Healing Gospel Caravan a success.

On that day, July 24, 2022, we targeted several communities for impact, however, the Tivoli Gardens Community was our main focal point. Consequently, we went in as planned and impacted the community very positively with the gospel of love, care, healing and hope.

We also want you to know that we will be continuing our intervention in these communities with the aim of establishing permanent presence in them. However, we will inform you how you can continue to play your part in this endeavor.

Until then, let us pray for our brothers and sisters in these communities who need the gospel of Jesus Christ.

Yours in the Master's Service

Anthony Baugh (Pastor)
Sabbath School & Personal Ministries Director
