To All Pastors, Health Ministries Leaders, Health Professionals and Health Volunteers

Dear Brothers and Sister!

Christian greetings!

Let me express thanks and appreciation for the tremendous work you have done so far this year. The Health Ministries Department could not have accomplished so much without your support. We are encouraging you to continue the good works. If you are re-elected for 2025, please let us make 2025 the best year.

Over the years, the East Jamaica Conference Health Ministries Department recognized the need for voluntary assistance in order for us to carry out the functions and accomplish the strategic plans of the Department. Therefore, in January 2024 a Zonal Health Committee was organized to work closely with the churches Health Ministries Leaders in each zone, to give guidance where needed as it relates to organizing and helping to implement programmes in the zones, to liaise on with the Director at HQ as often as possible; giving reports on health activities in the zones.

The Zonal Health Leaders, their position and church are outlined below:

Zone 1	Zone 2	Zone 3	Zone 4
President Ms. Nadine Allen, Ephesus	President – Mrs. Kerri-Ann Gordon-Simmonds, Hagley Pak	President – Ms. Ann Marie Harris, Whitehall Ave.	President – Mrs. Kerryan Francis Witter Philadelphia
